

PDSF User Meeting

April 1, 2014

Lisa Gerhardt

Utilization

Past Outages

- **3/14/14 (morning): Project issues**
- **3/22/14 (10 hours): LDAP outage**
- **3/22/14 (8 pm – 12 am): Project outage**

Planned Outages

- **None**

Other Topics from PDSF Staff

- **Revived long-running jobs cron**
 - Users will receive emails if jobs are running for more than 8 hours
- **Debug queue available for testing**
 - Use “-l debug=1”
- **NERSC home directory testing**
 - Homes warranty extended until NERSC move
 - One possibility is to switch to NERSC homes
 - Available for testing now
 - Looking for brave volunteers for testing

Topics from the Users
