Past Outages

• 3/3/15 (2 hours): pdsfdtn2 maintenance

Planned Outages

May 12th: All day, quarterly maintenance

Retiring Old PDSF Hardware

- In preparation for the move to the hill, we are working to retire some old PDSF hardware
 - Pdsfdtn1 retired 3/9
 - ATLAS users please use interactive nodes for data transfers
 - Clean up /common
 - New hardware will be deployed on the hill, good opportunity to clean house

Retiring SL53?

- Like to retire SL53 soon
- Who still uses it?
- What is missing from SL6x?

Topics from the Users
